

English and Maths

Functional Skills Maths

Campus: North Notts College - Worksop Campus

Code: NFEME003

About This Course

Do you want to develop your maths skills? This course will help you to build your confidence and independence at home and at work. With sessions from Entry 1 to Level 1, these qualifications cover everything from the very basics to more advanced skills. This is a great course for those wanting to progress their career or support children with their homework. This course is free to those in receipt of a means tested benefit or those without a maths and English qualification. If you currently hold a maths and English qualification and would like to improve your grade there is a £362.00 cost per course.

What Will I Study?

Do you want to develop your maths skills? This course will help you to build your confidence and independence at home and at work. With sessions from Entry 1 to Level 1, these qualifications cover everything from the very basics to more advanced skills. This is a great course for those wanting to progress their career or support children with their homework. This course is free to those in receipt of a means tested benefit or those without a maths and English qualification. If you currently hold a maths and English qualification and would like to improve your grade there is a £362.00 cost per course.
