

Certificate in Understanding Mental Health in the Early Years

Certificate in Understanding Mental Health in the Early Years

Campus: Distance Learning

Code: OACDL042*

Level: 2

About This Course

This qualification is designed for learners who wish to understand mental health in young children in the early years (from birth to 5 years old) and the role of the Early Years Practitioner to support children's mental health and wellbeing. By completing the qualification, learners will develop knowledge which would support progression to further qualifications and into relevant employment in the health and social care or education sectors.

Why Study Here?

- - Learn from industry-experienced and well-qualified tutors who have spent many years in the sector and have specialist qualifications and knowledge to bring to their teaching
 - Learn from your own home, in your own time

- Achieve a nationally recognised Level 2 qualification
- Access to award winning learning and assessment materials

- Access to a Learner Support Advisor for everyday queries

Entry Requirements

What Courses Can I Progress Onto?

Level 2 Children & Young People's Mental Health
